Pro-Vitamin Mineral Eyebrow Pencil

~~\$25.00~~ \$12.50
You Save: 50.00%

Â

Framing your eyes helps them to look larger and brighter. The secret is to make it look as natural as possible. Our eyebrow pencils are slightly harder than the eyeliner pencils. This will give you the thinner lines required to mimic the look of natural hair. These are water resistant and formulated especially for those with sensitive skin.

Â

Here's what you've been asking for! Vitamin-enriched Mineral Eyebrow Pencil.

Â
