Mineral Foundation

~~\$55.00~~ \$27.50

You Save: 50.00%

Haf Mineral Makeup loose mineral foundation is semi-matte & can be applied dry with a powder brush or mixed with a facial moisturizer for sensitive or dry skin. Our semi-matte finish foundation provides full coverage and is long-lasting. Our formula goes on so light youâ€™ll hardly know itâ€™s there and youâ€™ll have no caking!

They can be worn after a cosmetic procedure such as a micro-dermabrasion session to cover the redness and promote the healing process. If you have problem skin, including conditions such as acne and rosacea, you will see an improvement in your skin when you start using our natural cosmetic line and stop applying commercial brand products. All of our products are cruelty-free. No animal testing. 100% pure crushed loose mineral foundations contain only natural ingredients: Titanium dioxide, sericite, iron oxides, mica and ultramarine blue. Made in USA.

Features: Our mineral makeup products are free of harmful ingredients.
